Date	Name	Description
June 5 - June 9 ☀️ 9am-12pm	Let's Go Camping	Little explorers can enjoy a week learning about camping, doing sensory art projects, stories, and fun, all with a camping theme!
June 12 - June 16 ☀️ 9am-12pm	Being Zookeepers!	What kid wouldn't want to spend a week at the zoo? Even though we'll be staying in the museum, we will spend the week being zookeepers learning about animals through books, crafts, games and yoga.
June 19 - June 23 ☀️ 9am-12pm	Storytime and Art Camp	Enjoy favorite books then explore art projects and thematic snacks.
June 26 - June 30 ☀️ 9am-12pm	Underwater Camp Jr.	Spend a week exploring "underwater" through sensory art projects, stories, and fun!
July 3 - July 7 ☀️ 9am-12pm	Sensory Art (4-Day Camp)	Explore your senses through making art! Use your imagination to investigate your musical expression, artistic imagination, and natural abilities! Note: This camp will meet on July 3, 5, 6, and 7 only. We are closed on July 4th.
July 10 - July 14 ☀️ 9am-12pm	Fun with Dr. Seuss!	Have fun with Dr. Seuss. Jump into Whoville with books, crafts and activities.

2023 Summer Camps!

July 17 - July 21 ☀️ 9am-12pm	Musical Stories	Perfect for any young child who loves music and playful books. Participate in stories through singing or creating sound effects and create your own instruments or characters to act them out.
July 31 - August 4 ☀️ 9am-12pm	I'm Just Me Character Counts Camp	Campers learn inclusion, effective communication, teamwork, self-awareness, patience, and kindness with a twist of sportsmanship.
July 31 - August 4 🕒 1pm-4pm	Pirates and Princesses	Welcome to the Wonderful World of Make-Believe where we'll embrace the magic, design your make-believe world, explore fashion and fantasy.
August 7 - August 11 ☀️ 9am-12pm	Science Camp Jr.	Time to put on a lab coat and enjoy a week of science. Let your child explore their unknown through experiments and play.
August 14 - August 18 🕒 1pm-4pm	Explore Galore!	Let's explore the things that go, family fun, favorite animals, the fun of growing up, and mentors and heroes.

Date	Name	Description
June 5 - June 9 ☀️ 9am-12pm	The Olympics Camp	Each day will be spent on a typical Olympic sport such as swimming, track and field, gymnastics, etc., where the campers will get to learn the history of the events, watching videos of world records, creating a medal for each day with craft supplies, and ending each day with a relay event.
June 12 - June 16 ☀️ 9am-12pm	LEGO Camp	Each day will be a theme such as car, boat, plane, skyscraper, etc. in which the campers will draw an idea, then build out of Lego blocks, then test their creations.
June 19 - June 23* ☀️ 9am-12pm	STEAM Camp	Each day we will focus on the components of STEAM (science, technology, engineering, art, and math), with projects such as "egg drop", raft building, etc., where the kids get to draw their plans, build their ideas, then test their creations.
June 19 - June 23 🕒 1pm-4pm	Mindfulness / Yoga camp	Yoga and Mindfulness camp will gift students with stress management & confidence building tools that will last a lifetime. Each day children will partake in age appropriate yoga movement , breathwork, and meditation. Throughout the week we'll also play mindfulness based games, create yoga themed crafts, and other sensory rich activities.
June 26 - June 30 🕒 1pm-4pm	I'm Just Me Character Counts Camp	Campers learn inclusion, effective communication, teamwork, self-awareness, patience, and kindness with a twist of sportsmanship.
July 3 - July 7* ☀️ 9am-12pm	Underwater Camp (4-Day Camp)	Spend a week exploring "underwater" through sensory art projects, stories, and fun! Note: This camp will meet on July 3, 5, 6, and 7 only. We are closed on July 4th.

2023 Summer Camps!

July 3 - July 7 🕒 1pm-4pm	Art Explorers (4-Day Camp)	This class is all about building creativity! Children will have fun exploring different art mediums and learning fun ways to express themselves through their artwork. Note: This camp will meet on July 3, 5, 6, and 7 only. We are closed on July 4th.
July 10 - July 14 ☀️ 9am-12pm	Animal Adventures Camp	Did you know that a Monarch butterfly has 12,000 eyes, or that a crocodile can't stick its tongue out? If you love animals and want to have fun learning more about them, this is the camp for you!
July 17 - July 21* ☀️ 9am-12pm	Puppet Camp	Campers will discover the wonder of puppetry as they make puppets, develop creative stories, and bring those stories to life in a culminating puppet showcase!
July 17 - July 21 🕒 1pm-4pm	STEAM Explorers Camp	It's full "STEAM" ahead for a week of fun and excitement! Each day will be a fun new theme to explore - science, art, animals, history, and games.
July 24 - July 28* ☀️ 9am-12pm	Nature Science Camp	Come explore science in nature with hands-on activities.
July 24 - July 28 🕒 1pm-4pm	Dance Camp!	Learn about the behind-the-scenes world of dance from a variety of cultures through games, crafts, and even a bit of dancing! No experience needed.
July 31 - August 4 🕒 1pm-4pm	Songwriting for Kids!	From melody to rhythm, we'll listen to different genres, play with musical sounds, drum, create lyrics, and even look at digital music making software. No musical experience necessary, just your imagination!
August 7 - August 11* ☀️ 9am-12pm	LEGO Engineering Camp	Calling all Lego engineers! Bring your imagination and get ready to build towering skyscrapers, Lego projects that "move," a future city, and so much more!!
August 7 - August 11 🕒 1pm-4pm	Amazing Dinosaurs and Prehistoric Beasts	Triassic, Jurassic, Cretaceous, Oh My! Who are the most amazing creatures from each time period? You decide! We'll learn a little about each era through exploration and science projects, and even take a step into the Cenozoic era and see how it compares.
August 14 - August 18 ☀️ 9am-12pm	Mad Scientist Camp	Explore your world of science! Scientists will build, investigate, and experiment through fun activities like mini volcanos!

Date	Name	Description
June 12 - June 16 🕒 1pm-4pm	I'm Just Me Character Counts Camp	Campers learn inclusion, effective communication, teamwork, self-awareness, patience, and kindness with a twist of sportsmanship.
June 19 - June 23 🕒 1pm-4pm	Young Art Masters	Develop art-making skills as you learn to create in the style of famous artists throughout history! Have fun experimenting with a variety of art mediums and styles.
June 26 - June 30* ☀️ 9am-12pm	Textile Arts	Textile art is the creation of something using plant, animal, or insect made fibers (such as silk worm), or synthetic materials. Campers will learn modern and fun ways to make and use textiles, including basic sewing skills.
June 26 - June 30 🕒 1pm-4pm	Messy Science!	Learn about scientists and safety in a lab while having fun with some messy science experiments!
July 3 - July 7 🕒 1pm-4pm	Monsters and Mythology of Percy Jackson (4-Day Camp)	Explore the mythology behind the Percy Jackson book series through history, crafts, and drama! Reading the first series or graphic novels is recommended but not required to enjoy this camp. (Warning: There will be SPOILERS!) Note: This camp will meet on July 3, 5, 6, and 7 only. We are closed on July 4th.
July 10 - July 14* ☀️ 9am-12pm	Art for Anyone	Art is the way shapes, colors and textures are viewed. It doesn't have to be realistic, merely produce a feeling or emotion. This class will experiment with art elements in fun, imaginative ways used by professional artists for centuries!

2023 Summer Camps!

July 10 - July 14 🕒 1pm-4pm	Mindfulness / Yoga camp	Yoga and Mindfulness camp will gift students with stress management & confidence building tools that will last a lifetime. Each day children will partake in age appropriate yoga movement , breathwork, and meditation. Throughout the week we'll also play mindfulness based games, create yoga themed crafts, and other sensory rich activities.
July 17 - July 21 🕒 1pm-4pm	Puppet Camp	Campers will discover the wonder of puppetry as they make puppets, develop creative stories, and bring those stories to life in a culminating puppet showcase!
July 24 - July 28* ☀️ 9am-12pm	Chess Camp with Jim Moyer	We teach you how to checkmate and win with just a King and a Rook before you even know how to move all the pieces. We teach you good strategies for all situations. And . . . we show you a new way to look at this 2nd oldest game in the world.
July 24 - July 28 🕒 1pm-4pm	Nature Science Camp	Come explore science in nature with hands-on activities.
July 31 - August 4 ☀️ 9am-12pm	Space Camp	Let's blast off to a week of space exploration! Create a "galaxy in a jar," build your own rocket, try the galaxy milk experiment, and get ready to investigate the universe!
August 7 - August 11 🕒 1pm-4pm	Sewing Camp	Use a vintage electric sewing machine (provided) to make a simple drawstring bag, pillowcase and more. Camp class covers the parts and maintenance of the machines, safety, how to measure and cut, and simple straight stitching.
August 14 - August 18 🕒 1pm-4pm	The Science of Music and Sound	From the physics of wavelengths and how your ears receive sound, to how your brain understands music, we'll explore through music making, science projects, and more.
